Meeting in Sofia, 04.12. – 08.12.2001

Program of the meeting

I day – Tuesday 04.12.

Arrival of the delegation from Ilmenau – 13.45, Airport Sofia

Arrival of the delegation from Skopje – 15.00 Bus station, Sofia

Arrival of the delegation from Niš – 16.00 by car, Sofia

Dinner – 20.00

II day – Wednesday 05.12.

Rila Monastery + Dinner – 8.00, from Hotel Rai

III day – Thursday 06.12.

Volker **Zerbe**: 10.00 – 10.10, Opening of the workshop

Steven **Lambeck**: 10.10 – 10.30, Research and Education at the Institut for Automation and Systems Engineering

Volker **Zerbe**: 10.30 – 11.00, System design of complex embedded systems

Coffee Break:

Dimitar **Alexiev**: 11.30 – 12.00, Program environment for multi-sensor systems

Vanco **Litovski**: 12.00 – 12.30, Modelling of nonlinear two terminal dynamic devices using artificial neural networks

Predrag **Petkovic**: 12.30 – 13.00, Symbolic analysis in analogue circuit testing multi frequency fault analysis

Lunch

Tomislav **Dzhekov**: 15.30 – 16.00, Modeling of PIN-Diodes with the Lumped Charge Technique

Cvetan **Gavrovski**: 16.00 – 16.30, The design of a pocket electronic warning device about dangerous ionising radiation

Todor **Djamijkov**: 16.30 – 17.00, Optoelectronic sensors

Steven **Lambeck**: 17.00 – 17.30, Design of discrete Anti windup Controller

Dinner – 20.00

IV day – Friday 07.12.

Vitosha Mountain – 8.00, from Hotel Rai

Dinner – 20.00

V day – Saturday 08.12.

Free Sofia

Departure of the delegation from Ilmenau – Airport Sofia

Departure of the delegation from Skopje – Bus station, Sofia

Departure of the delegation from Niš – open, by car, hotel Rai
